

Intern

Humphreys is dedicated to fostering alignment among investors, partners, and associates. Our firm, funds, and investments are designed to cultivate enduring relationships through commonality of interests. We manage \$1.5B in income-producing real estate and development partnerships across four diverse funds.

We are committed to expanding our team with professionals who demonstrate outstanding cognitive acuity, brilliant interpersonal communication, and uncompromising integrity. We are seeking an intern to support our team and contribute to the continued growth and success of our business.

DESCRIPTION

As a complimentary piece of our dynamic team, the intern will support various departments within our organization, gaining invaluable insight and experience across diverse functional areas.

Key drivers of success in this foundational role include a fervent willingness to learn, a proactive and solution-oriented mindset, and commendable interpersonal and communication skills, all while contributing to and absorbing the multidimensional workflow of our team.

RESPONSIBILITIES

- Assist in diverse functions across departments, contributing to ongoing projects and initiatives.
- Support in data gathering, analysis, and presentation for internal stakeholders.
- Participate in coordinating and executing various administrative tasks.
- Engage in research activities to support market analysis and strategic planning.
- Contribute to the preparation of materials for meetings and external communications.
- Completion of Real Estate Financial Modeling (REFM) course

QUALIFICATIONS

- Currently pursuing or recently completed an undergraduate degree in Business, Finance, Real Estate, or a related field.
- A desire to learn and grow within the investment and real estate sectors.
- Excellent interpersonal and communication skills.
- Ability to work effectively both independently and as part of a team.
- Basic understanding of financial concepts and market dynamics

COMPENSATION

- Paid tuition for Real Estate Financial Modeling course
- Cash bonus upon course contemplation
